Japan Information Center Consulate General of Japan in Atlanta

The Japan Information Center, the Cultural and Public Relations Section of the Consulate General of Japan in Atlanta, offers a variety of free services:

- **Brochures, posters, and printed materials** about Japan can be obtained by e-mail, etc.
- **Our videotape library** on Japan offers many titles for loan and can be requested by e-mail, etc. The video list is posted on our website.
- **Folk toys, kites, photo exhibits and other items** are available for loan.

In addition, the Japan Information Center offers:

- **Japan Caravan:** Educators can request a visit to their classroom by one of our staff who will give a brief lecture on Japan and share many hands-on materials.
- **Information on exchange programs, scholarships, and grants**, including the Japan Exchange and Teaching (JET) Program, which sends thousands of young Americans to Japan to teach English in Japanese schools.
- **Cultural events:** The Consulate facilitates local festivals and coordinate exhibitions, lectures, and performances by Japanese experts throughout the Southeast. Please visit our website to sign up to receive our monthly newsletter or check for upcoming events.
