

JIMMY CARTER

March 11, 2012

To the People of Japan

Rosalynn joins me in extending our heartfelt compassion to you and the people of Japan on the anniversary of the earthquake and tsunami disasters of last year. It has been an inspiration to see the perseverance with which your country has fought back against the devastating losses you suffered. We will keep you all in our thoughts and prayers as you continue to move forward from this tragedy.

With warm best wishes,

Sincerely,

*Jimmy Carter*
